THAT WAS AWFUL. I FEEL LIKE I'VE BEEN TO HELL AND BACK.

POOR LELOUCH... I'LL SO GET YOU SOMETHING TO DRINK.

OOPS! THEY'RE BOTH SWEET!

SWEETNESS IS NOT THE POINT!

YOU HAVE NOTHING TO DO WITH THIS! SHUT UP!

Artists' Commentary

Yuki Aduma

I love Code Geass, so I am very happy that I was able to participate. I chose Kallen, my favorite character, as my inspiration. I'm sorry that it's a predictable story. ^^;

Hirofumi Naruse

My comic was mostly about Zero, so I couldn't draw Lelouch's face much. But I'm still happy that I got to draw others in the cast, like Kallen and C.C.

Mimori Mizusawa

Thank you for inviting me to participate. It made me happy to draw a lot of my favorite character, Kaguya. ^^++ I'm rooting for her and hope she has a lot of appearances in the next season.

Naoto Ayano

Not many people draw Villena, so I was encouraged to do a manga featuring her. But somehow, it ended up being mostly about Ohgi. T_T

Hakone Odawara

I never dreamed of getting to work on something for Code Geass. I'm sorry that it's a weird manga. But it was made with love.

Yuuki Tanaka

Thank you for inviting me to participate in the Code Geass Anthology! I love Code Geass! I love that the commander-in-chief is weak.

Akuru Ulra

It made me happy to draw Shiny, my favorite character. I want her to be happy. Thank you for inviting me to participate!!

Yukio Kumoya

Code Geass brings me that nostalgic feeling of being hooked on anime that I haven't had in a while. I'm looking forward to what adventures Lloyd is going to bring! :D

Araiguma

Congratulations on the publication of the anthology. :D I got a little worried when I was told my plot was similar to the third drama CD.

Miki Kiduki

I injured my lower back while I was working on the manga. I wonder when the Geass was cast? I was happy to be able to draw a lot of girls.

Tatsumi Miyahara

I love Mr. Obnoxious and the four-eyes. I want to see what happens next NOW!! Hurry! Hurry! Thank you for inviting me to participate!

Asuka Kanan

Congratulations on the publication of the anthology. I love both the girl characters and the guy characters, so I'm happy that there is an anthology featuring both sides.

FMC: Japan: Doron

Naoko Kodama

I love the coupling of Suzaku and Luply, so I drew them enthusiastically! I can't wait to find out what happens with Suzaku!!

Kiro Hanchane

I haven't drawn manga for a while, but it was fun and it made me happy to draw all the characters. I'm looking forward to the next season.

Nankotsu Misakura

Cheers to Code Geass! I love Milly, Kallen, and Orange but this time I drew Ruyi. She's so cute. ♡ But in the anime, she's so covered! Now sad.

Hina Sirogane

Thank you for letting me draw for this! I am in love with Cornelia! I'm curious to know what happens to her next!

Hiro Suzuhira

From the first time I laid my eyes on her, C.C. had my heart. I like her in the Gothic Lolita and the pig tails and the men's shirt, but for this time I made her wear Lelouch's school uniform. I think it's pretty erotic. :D

Yukian

The timeline is off if it's interesting, then please ignore it! I want to know what's going to happen to Orange. I can't sleep at night. And now I have bags under my eyes.

Koutaro

Nice to meet you, I am Koutaro. I was surprised when I was asked to draw the back cover illustration. I hope all the Villains fans enjoy it.

Mari Amanc

I drew this with full power! I wanted all the characters to appear, and for it to be comedy, so I ended up with a beetle. I want to ride the Gawain and have C.C. pilot it.

Majiko!

Hello. I drew the inside back cover. I love all of the female characters in Code Geass. They are all so charming. I can't choose a favorite. ♡

Please check out "Nightmare of Munnally" too, since I worked on it.
